Both days and times are good for me. I forwarded the message to Doug Jamison (and copied him on this message) as he will be taking over for Barb on April 17th.

Hi all

We would like to meet to discuss the latest settlement proposal from CoCa Mines, Inc. for the Nelson Tunnel Site. Unfortunately, Joy/Andrea are out of the office the next couple of weeks. Can you please let me know if you are available to meet either Monday, 4/27 (between 11-3) or Tuesday, 4/28 (between 1-4). We should only need an hour (at most).

Thanks in advance
